iCash Appoints New Chief Financial Officer

iCash Payment Systems Limited (ASX:ICP) is pleased to announce the appointment of Mr John Bird as Chief Financial Officer.

John is an experienced CFO with over 20 years in senior finance and operations roles in technology, service and manufacturing organisations. He has gained significant experience in Australia and Asia in Public and Private International businesses.

John undertook his undergraduate studies while working for KPMG and subsequently has gained a wealth of experience in organisations including GE, TAB Ltd, AWA Ltd and most recently in US Listed Gaming Company Shuffle Master where he held the role of Asia Pac CFO. In this role he had financial and operational responsibility for Australia and Asia.

Chairman of iCash James Manny said "I am pleased to have John as part of my executive team as we continue our focus on growing the business both locally and in Asia, his experience will be invaluable to the Company."

John is a CPA with a Bachelor of Economics from Macquarie University and a member of the Australian Institute of the Company Directors.

About iCash Payment Systems Limited

iCash is a vertically integrated ATM and electronic payments business and has designed, manufactured and sold more than 13,000 installations in Asia Pacific since 2001. Our global product range includes ATMs, multi-function kiosks, automated cash sorting devices, complete public transport ATM solutions, switching and software solutions, and integrated settlement and back office automation systems.

Our global Head Office is in Sydney supporting the ownership of an Australia-wide ATM network of over 1,500 machines. Other services include repair and maintenance facilities, training and on-going technical support. Our payments infrastructure includes transaction processing, switching, and advanced software payment solutions that augment our ATMs.

The Company's South Korean operations – home to iCash's research and development facilities, underpins the company's expansion across Australasia.
