Replacement of Presentations on Half Year Results 31 December 2010

The company amends the Half Year Results Presentations as previously lodged.

The Company's Appendix 4D as lodged 28 February 2011 is correct and remains unchanged.

The previously lodged presentations included a compilation error resulting in 1H 2010 net assets being overstated by \$3.7 million with no change to the Profit and Loss.

For further clarity, 'underlying' profit measures refer to 1H 2010 and exclude \$0.7 million of non-recurring corporate costs (net of tax).
